Thursday, February 6, 2025

TNT: Nature's Close Ups with Sarah Whalls

Date and Time: Thursday, February 6 4:00 pm - 6:00 pm

Address: 147 Lochiel St, Sarnia, ON N7T 0B4

[Register here.](#)

View a variety of objects from nature closer than ever before! Create arrangements of natural objects and use a microscope to dive into the tiniest details of these small environments. Take photos of these details through the microscope and choose one to use as inspiration for a larger work of art you will create with oil pastels.

Monday, February 17, 2025

Family Day

Date and Time: Monday, February 17 1:00 pm - 3:00 pm

Address: 147 Lochiel St, Sarnia, ON N7T 0B4

Free | Drop In | Children must be accompanied by an adult

Celebrate Family Day with us! Experiment with us in a collaborative paper collage as we create ice flows and watch the movement as others contribute as well. You can also join us in the studio to create a mixed media arctic landscape to take home.

Thursday, February 20, 2025

Art Pod: Gelli Plate Snowflakes

Date and Time: Thursday, February 20 6:30 pm - 7:30 pm

Address: 147 Lochiel St, Sarnia, ON N7T 0B4

[Register here.](#)

Celebrate winter with colour and layering with handcut paper snowflakes in this Gelli plate printmaking works hop.

Early arrival welcome at 6:00 p.m.

A care partner is required to provide support. Participants should be able to follow one-step directions. Art Pod is specifically designed for youth with support needs and an interest in fine arts.

Thursday, February 27, 2025

Beauty of Arctic Wildlife with Shaun Antle

Date and Time: Thursday, February 27 7:00 pm - 8:00 pm

Address: 147 Lochiel St, Sarnia, ON N7T 0B4

[Register here.](#)

Shaun Antle will speak about his recent arctic expedition in partnership with the Churchill Northern Science Center and share his inspiring landscape and wildlife photography from the journey. Discover Shaun's dedication to promoting conservation efforts across our province and the captivating narratives of individuals he has encountered thriving in challenging environments. Don't miss this opportunity to be inspired by Shaun's triumph over adversity and his insights into the power of nature and resilience.
